Add life and more to your decor

Spacearium®

The New Age of Aquariums

The new elliptical **ASP Spacearium** is large enough to recreate or redefine any area in your home. You can even use it as a room divider. In fact, wherever you put it, this remarkable hanging aquarium is a guaranteed "live" attraction.

*An elliptical hanging aquarium
with no visual obstructions*

Created and manufactured using an exclusive process developed by **ASP Aquariums**, the hanging Spacearium concept eliminates the awkward edges and angles associated with conventional aquariums. An equally original mounting system creates remarkable all-round visibility, allowing you to see and enjoy the aquatic life inside your aquarium as never before.

Clearly.....beautiful and ecological

The **ASP Spacearium** is a new and unique way to reinvent your indoor space. With streamlined esthetic appeal, innovative technology, advanced filtration system and a totally original design concept, the ASP Spacearium makes an outstanding design statement in any interior setting.

Spacearium

The New Age of Aquariums

A totally original touch

Living room...workroom...showroom...wherever you install it, the **ASP Spacearium** creates an original sense of space...an endlessly fascinating visual feature in any architectural setting.
